Two sisters, one ad and an unfortunate truth!

We placed matrimonial ads for Ragini and Sadhna, the lead characters of our serial 'Bidaai' in 13 leading newspapers of the country.

We received scores of proposals, and also, proof of an unfortunate & bitter truth. Of all the marriage proposals received, 88% were for Sadhna, who is fair, attractive and very good-looking and a disappointing 12% for Ragini, who though well-mannered and well-cultured, is ordinary in looks.

These facts bring forth a stark reality of our society...that we are driven by physical appearance and external beauty. Our new serial 'Bidaai' is a portrayal of the same reality and its impact on relationships.

Tonight & every Monday-Thursday, at 9 pm on Star Plus.
